

# Ashkan Negahban

Assistant Professor of Engineering Management  
The Pennsylvania State University  
School of Graduate Professional Studies

Phone: (610) 648-3337  
E-mail: [anegahban@psu.edu](mailto:anegahban@psu.edu)  
Web: [www.ashkannegahban.com](http://www.ashkannegahban.com) 

---

## EDUCATION

**Auburn University**; Auburn, AL, USA  
*Ph.D. in Industrial and Systems Engineering*; August 2016

**Auburn University**; Auburn, AL, USA  
*M.E. in Industrial and Systems Engineering*; May 2012

## RESEARCH INTERESTS

Simulation (agent-based, discrete event, Monte Carlo) and optimization approaches for analyzing complex systems. Areas of particular interest are manufacturing and service system design and operation as well as operations management-marketing interface.

## EMPLOYMENT HISTORY

**The Pennsylvania State University** – Assistant Professor  
Engineering Management, School of Graduate Professional Studies. 2016 – present.

**Auburn University** – Instructor  
Industrial and Systems Engineering, 2013 – 2016.

**Auburn University** – Research and Teaching Assistant  
Industrial and Systems Engineering, 2011 – 2016.

## GRANTS AND SPONSORED RESEARCH

**A. Negahban (PI)**, O. Onipede, S. Ozden, O. Ashour, C. Millet. “Transforming Online and On-Campus Education through Simulated Real-World Inspired Industry Projects,” University Strategic Initiative Seed Grants, The Pennsylvania State University. January 2019 – December 2020, \$59,348.

**A. Negahban (PI)**. “Virtual Reality-Enabled Simulation Modules for Teaching and Learning of Modeling Concepts,” Teaching & Learning Innovation Grant, The Pennsylvania State University, February 2019 – December 2020, \$8,200.

M. Darayi, **A. Negahban (co-PI)**, Q. Qiang, S. M. Srinivasan. “Leveraging Big Data for Holistic Analysis of PA's Freight Transportation Infrastructure Resilience Subject to Natural and Man-Made Disasters,” The Center for Security Research and Education (CSRE), The Pennsylvania State University. January 2019 – December 2019, \$71,437.

**A. Negahban (PI)**, G. Qiu, M. Stutman, S. W. Wagner. “Energy Efficient Buildings: Using Data Analytics to Incorporate Occupancy in Scheduling and Load Profiling,” Institutes for Energy and the Environment, The Pennsylvania State University. April 2018 – June 2019, \$33,050.

## REFEREED CONFERENCE PROCEEDINGS

1. S. Patel, G. Qiu, **A. Negahban**. "Incentive-Based Rebalancing of Bike-Sharing Systems," In *Proceedings of the INFORMS International Conference on Service Science*, Phoenix, AZ, November 2018.
2. **A. Negahban**. "Neural Networks and Agent-Based Diffusion Models," In *Proceedings of the 2017 Winter Simulation Conference*, Las Vegas, NV, December 2017.
3. **A. Negahban**, M. Ansari, J.S. Smith. "ADD-MORE: Automated Dynamic Display of Measures of Risk and Error," In *Proceedings of the 2016 Winter Simulation Conference*, Washington, DC, December 2016.
4. M. Ansari, **A. Negahban**, F.M. Megahed, J.S. Smith. "HistoRIA: A New Tool for Simulation Input Analysis," In *Proceedings of the 2014 Winter Simulation Conference*, Savannah, GA, December 2014.
5. **A. Negahban**, J.S. Smith. "Production-Sales Policies for New Product Diffusion under Stochastic Supply," In *Proceedings of the Sixth International Conference on Advances in System Simulation (SIMUL)*, Nice, France, October 2014.
6. **A. Negahban**. "A Hybrid Simulation Framework for the Newsvendor Problem with Advertising and Viral Marketing," In *Proceedings of the 2013 Winter Simulation Conference*, Washington, DC, December 2013.
7. **A. Negahban**, I. Uludag, Y. Yang. "An Integer Programming Approach to Optimize Typing Methods on Smartphones," In *Proceedings of the 2013 IIE Annual Conference and Expo*, San Juan, Puerto Rico, May 2013.

## CONFERENCE PRESENTATIONS

1. **A. Negahban**, J.S. Smith. "SimulationAndSimio.org: An Online Course in Discrete-Event Simulation," *IIE Annual Conference and Expo*, Orlando, FL, May 2019.
2. **A. Negahban**. "Estimating the Real Demand in Bike-Sharing Systems," *INFORMS Annual Meeting*, Phoenix, AZ, November 2018.

3. **A. Negahban**, G. Qiu, M. Stutman, S. W. Wagner. "Data Analytics and Agent-Based Simulation for Energy Efficient Buildings," *PI World Conference*. San Francisco, CA, April 2018.
4. **A. Negahban**, G. Qiu, S. Patel. "An Incentive-Based Rebalancing Scheme for Large Bike-Sharing Systems," *INFORMS Annual Meeting*, Houston, TX, October 2017.
5. **A. Negahban**, J.S. Smith. "Agent-Based Simulation of Production and Seeding Strategies for Innovations," *INFORMS Annual Meeting*, Nashville, TN, November 2016.
6. **A. Negahban**, J.S. Smith. "Responding to Forecasting Errors for New Products: An Agent-Based Simulation Approach," *INFORMS Annual Meeting*, Philadelphia, PA, November 2015.
7. **A. Negahban**, J.S. Smith. "Forecasting the Demand for New Products: An Agent-Based Simulation Model," *Annual Meeting of the Decision Sciences Institute (DSI)*, Seattle, WA, November 2015.
8. **A. Negahban**, J.S. Smith. "Optimal Production and Sales Plan for New Products under Supply Uncertainty," *Annual Meeting of the Decision Sciences Institute (DSI)*, Tampa, FL, November 2014.
9. **A. Negahban**, J.S. Smith. "Production and Sales Management for Successive Generations of New Products under Supply Constraints," *INFORMS Annual Meeting*, San Francisco, CA, November 2014.
10. **A. Negahban**, L. Yilmaz. "NK Fitness Landscapes to Optimize Genetic Algorithms for Flexible Manufacturing System Scheduling," *INFORMS Annual Meeting*, Minneapolis, MN, October 2013.
11. A. Azadeh, M Sheikhalishahi, **A. Negahban**, R. Beikverdi. "Improving the Kruskal-Wallis Experiments with Fuzzy and Linguistic Variables: Case Studies with Uncertainty and Noise," *The 2<sup>nd</sup> World Conference on Educational Technology Researches*, Nicosia, Cyprus, June 2012.

## TEACHING EXPERIENCE

### **Assistant Professor** – Penn State, School of Graduate Professional Studies

- SYSEN 532 – *Simulation in Systems Engineering: Discrete-Time Systems* (new course development)
- SYSEN 536 – *Decision Making and Risk Analysis*
- ENGMT 539 – *Engineering Management Strategy*
- ENGMT 510 – *Economics and Financial Studies for Engineers*

### **Instructor** – Auburn University

- STAT 3600 – *Probability and Statistics*, Fall 2015 – 2016.
- INSY 3420 – *Simulation*, Spring 2013 – 2014.

### **Video-based E-learning Modules and Short Courses**

- *E-Learning Modules for Discrete Event Simulation with Simio*, 2015 – present

- Co-developed, with Dr. Jeffrey Smith, a series of videos and curricula for learning discrete event simulation with Simio as part of a funded project from Simio, LLC. The course is available at <http://simulationandsimio.org>
- *Simulation Video Lab Series*, Spring 2015.
  - Designed and developed an 8-part video-based laboratory series for learning discrete event simulation with Simio. The complete lab series is available on Ashkan Negahban's [website](#) and also on his [YouTube Channel](#).
- *2-Day Short Course on Simulation Modeling and Analysis*, Auburn University, Summer 2014.

**Teaching Assistant:** Auburn University

- *INSY 7400: Simulation Modeling and Analysis*, Fall 2013 – 2014.
- *INSY 3420: Simulation*, Spring 2012 – 2014.
- *INSY 4700: Manufacturing Systems*, Fall 2011 – 2012.

**MEMBERSHIPS**

- Institute for Operations Research and the Management Sciences (INFORMS), since 2013
- INFORMS Simulation Society (I-Sim), since 2013
- INFORMS Junior Faculty International Group (JFIG), since 2017
- INFORMS Service Science Section, since 2017
- INFORMS Philadelphia Chapter, since 2017
- INFORMS Multiple-Criteria Decision-Making (MCDM) Section, since 2019
- ACM Special Interest Group on Simulation and Modeling (SIGSIM), since 2014

**PROFESSIONAL SERVICE AND PEER-REVIEW ACTIVITIES**

**Track Chair**

INFORMS Conference on Service Science, *Sharing Economy Modeling & Simulation Track*, 2020.

Winter Simulation Conference, *Agent-Based Simulation Track*, 2017.

**Council Member**

INFORMS Service Science Section, 2017 – present.

**Program/Organizing Committee Member**

INFORMS International Conference on Service Science, 2018.

Winter Simulation Conference, *Agent-Based Simulation Track*, 2015 – present.

Winter Simulation Conference, *Simulation Education Track*, 2018.

**Session Organizer**

INFORMS Annual Meeting, Service Science Track, 2017.

**Invited Reviewer (Journals)**

- Simulation Modeling Practice and Theory
- SIMULATION: Transactions of the Society for Modeling and Simulation International
- Transportation Research Part E: Logistics and Transportation Review
- European Journal of Operational Research
- International Journal of Production Research

- Journal of Manufacturing Systems
- Operations Research Perspectives
- Annals of Operations Research
- International Journal of Simulation and Process Modelling
- International Journal of Industrial and Systems Engineering

#### **Invited Reviewer (Conference proceedings)**

- Winter Simulation Conference, 2015 – present.
- Annual Meeting of the Decision Sciences Institute (DSI), 2014, 2015.
- Institute of Industrial Engineers (IIE) Annual Conference, 2013.

#### **Session Chair**

- INFORMS International Conference on Service Science, 2018.
- Winter Simulation Conference, 2017, 2014.
- INFORMS Annual Meeting, 2015.
- Annual Meeting of the Decision Sciences Institute, 2015.

## **CERTIFICATES**

**The Data Scientist's Toolbox**, Johns Hopkins University (on Coursera) July 2015.

**Preparing Future Faculty (PFF)**, Auburn University, May 2014.

**Occupational Safety and Health 30-Hour Training Course** in *General Industry Safety and Health*, OSHA, Auburn, Alabama; October 2010.

**Quality Management System based on ISO 9000-2000 Standard Series Certificate**, TÜV Academy; December 2006.

## **INDUSTRIAL EXPERIENCE**

**Aflac Distribution Center**; Columbus, GA

*Professional Team Project, August – December 2010*

- Proposed new family based SKU allocation and defined efficient picking routes to eliminate worker congestion which doubled order picking rate

**Concrete Truck-Mixer Manufacturing Company**

*Industrial Engineer, January – April 2010*

- Proposed production plan which increased production rate by 30%
- Conducted time and motion study for concrete truck-mixer production line

**Steel-Structure Manufacturing Company**

*Intern, Summer 2009*

- Developed Project Quality Plan (PQP) based on ISO 10006 guidelines

## **HONORS, AWARDS AND ACTIVITIES**

- *VISTA Millennial Superstar Award*, Chester County, Pennsylvania, January 2020. The award is to recognize Chester County's most dynamic business and professional leaders under the age of 40. This was the inaugural class of VISTA Millennial Superstars.
- *Early Career Award for Research and Scholarship*, The Pennsylvania State University, School of Graduate Professional Studies, August 2018.
